ABOUT ME

I love being a web developer. I was previously in the hospitality industry specializing in nightclubs and restaurants. In 2014, I decided to make a major career change and attended a coding boot camp to learn Ruby on Rails. I am constantly learning new things independently and brushing up on my fundamentals.

EXPERIENCE

DIRECTOR OF OPERATIONS MAY 2007 – NOV 2014
LOW FREQUENCY MANAGEMENT
Planned and facilitated nightclub events for up to 1000 guests.
Managed and staffed multiple venues throughout the metro Detroit area.

RESEARCH ASSISTANT JAN 2009 – DEC 2010
NORTHWESTERN MUTUAL
Implemented existing market research for client presentations.
Researched and analyzed data for existing and potential clients.

PROJECTS

ENSEMBLE – TEAM LEAD
RAILS, HTML/CSS, JAVASCRIPT

A FASHION APP TO GET FEEDBACK ON WHAT YOU'RE WEARING AND SEE WHAT OTHERS ARE WEARING
